

Yahweh, the Almighty God of Israel, is with us
"Cry aloud, spare not, lift up thy voice like a trumpet,
and shew my people their transgression,
and the house of Jacob their sins." Isaiah 58:1

Yahweh's Promises

Promise:

A declaration that one will do or not do a certain thing.

1. Introduction

There are literally hundreds of sacred promises in the Scriptures. Before I list them I want to make a few points clear.

1. **The LORD God of Abraham, Isaac and Israel will keep every one of His promises.** Not one can fail. Bear in mind that the Almighty's reputation is at stake here; so you can be certain that He will keep His word. Some of His promises, by man's standards, may appear to take a long time in fulfilment; but that is because we humans only live a few years (60, 80 or 100 years) and most of us fail to see important events from the standpoint of eternity. In other words, we are spiritually '**short-sighted.**' The Most High, however, plans with eternity in mind. His designs, words, promises and actions go far beyond our imaginings and short lives. His declarations reach down the endless corridors of time. He looks beyond the grave. Of this we can be certain, God will keep His promises to His people - **in His own time** - no matter what may happen. No power in existence can prevent Him from carrying out His will. Satan vainly imagines that he can frustrate God's will, or even prevent the Almighty from carrying out His plans. But that is Satan's big mistake; possibly his gravest error. The fact is, Jehovah's will and Word cannot be frustrated, delayed or broken. His promises will all be kept - regardless of who or how many oppose Him. That is the first fact to remember in this extended Sermon Note.
2. The next is that this Note will provide material for scores of sermons. To prepare a sermon or Bible study look through the list below and select the promises concerning a **particular subject**. For example: using the **Find** command at the **Edit Menu** in your browser, ie, (Mozilla Firefox) search for the word **obedient**, and you will find the first promise made to the obedient believer. Once you have found the first text, make a note of it on a piece of paper and then **Find** the next, and then the next. The texts you have found and noted will form the basis of your sermon. After this you should open the relevant book in the **Holy Bible** itself and again (from the Edit Menu) **Find, Copy** and then **Paste** the full verse into a new word processed document. Build your sermon around these texts. Further sermons based on promises about **life, mercy, love, the overcomer** etc. may be searched for as described above. In this way you could produce scores of sermons using this Sermon Note.
3. You could of course, simply read down the list of Promises and see how many and how varied they are. Even this short exercise will show you how great is our Creator and how much He cares for us. **Praise**

His holy name!

4. Always remember that the Almighty is One who keeps His promises. When it appears that a promise is not being kept, restudy lesson 15 on **Human Suffering**. You will find there that sometimes the Most High has good reason for **delaying fulfilment**. Some other factor may be at work; but when the time - His time - is ready, the promise will be fulfilled.
5. The next point is that this Note, the longest in the series, was taken from an old Authorized King James Bible given to **A Voice In The Wilderness - Canada** many years ago. It is therefore the work of a **bygone Scottish believer** who I hope to meet in the **Kingdom of Heaven (God)**. I am sure he will be pleased that this article was put on the Internet some 150 years after it was compiled. I am honoured to be able to present his work to you as a gift from Canada.
